

Hudson Meridian Construction Group Appoints Peter Monte President/Chief Operating Officer

New York, N.Y. – May 1, 2017 - Hudson Meridian Construction Group today announced that Peter Monte has joined the firm and has been appointed President/Chief Operating Officer, a new position within Hudson Meridian.

Effective immediately, Mr. Monte will oversee the ongoing operations and procedures of the firm setting comprehensive goals for performance and growth.

"I am truly excited for this opportunity to assist in the development of this established firm. We will look to distinguish ourselves from the competition by delivering a consistently high level of construction management services to our current clients as well as our developing list of new clients," said Mr. Monte.

Prior to his appointment, Mr. Monte held the role of Senior Vice President for Toll Brothers City Living since 2006. While at the firm, he oversaw Toll Brother's design and construction activities in the five boroughs of New York City and Nassau and Suffolk Counties in Long Island and managed various stages of development in Manhattan and Brooklyn. Prior to Toll Brothers City Living, he held various positions at Skanska USA, finishing his career there as Project Director, overseeing many of the company's largest construction projects.

"Innovations and the increasing demand from our customers led us to look for an addition to our team who will fit in with our exceptional services. We are very fortunate that we were able to find someone of Peter's caliber to fulfill this role. We are confident that Peter will play a key role in providing and implementing high quality Construction Services," said William Cote, founder and Chief Executive Officer at Hudson Meridian.

About Hudson Meridian Construction Group

Hudson Meridian Construction Group (HM) is a leading construction services firm offering a unique combination of construction expertise since 2002. Ranked among New York City's Top 100 Contractors and among the nation's Top 400 firms, HM is recognized as an award-winning construction manager. Hudson Meridian is a firm staffed with more than 100 construction professionals. Our institutional, residential, cultural, and public sector projects range from public housing and new luxury residential high-rises to adaptive re-use of industrial buildings. While we are mainly involved in new construction and restoration projects, HM also has extensive experience in educational facilities, retail/commercial projects, waterfront work including parks, greenway, esplanade, marine and consultant management projects.
